# ANTI-FLOOD CASH HOPES WASH AWAY

Towns miss out on government grant money

BY ANDERS LARSSON  
[anders@tindlenews.co.uk](mailto:anders@tindlenews.co.uk)

BOTH Ottery and Feniton missed out on anti-flood money from a £96,900 government grant for east Devon.

It was back in June that details of the grant were announced. East Devon District Council (EDDC) was the only authority in Devon and Cornwall to be allocated money from the project.

Flood-prone locations like Ottery and Feniton looked a good bet for a slice of the money, which would be used to provide anti-flood measures such as flood boards, airbrick covers and non-return valves for 17 homes.

At the time, district councillor Graham Brown, portfolio holder Environment, said: "The council will now be consulting with colleagues at Devon County Council, the Environment Agency and in towns and parishes to establish the area or areas of greatest need."

"We will then shortlist properties that we feel are at greatest risk and likely to gain the greatest benefit from the flood protection work that this money is intended to fund."

But it was recently announced that the entire grant will be spent in Rockbeare.

An EDDC spokesperson said the three agencies had deliberated long and hard before concluding that Rockbeare was the community that stood to gain most from the funding.

The spokesperson added: "The objective of the government scheme is to promote the use of household-level flood protection and resilience measures in cases where flooding happens frequently and where other flood management solutions are not economically, environmentally or technically viable."

"To meet this objective, the scheme aims to protect groups of homes so that they demonstrate the benefits of protection and encourage other communities and individuals also to protect their homes."

"It also aims to help local communities engage with and understand their flood risk."

"There must be little or no prospect of the area concerned benefiting from a community scheme within the foreseeable future. For example, Ottery St Mary and Feniton did not qualify for this scheme because other schemes are considered viable and bids have been made to Defra for those works."

## Festive fun preparations

PUPILS at West Hill Pre-school are busy preparing for a double bill of Christmas fun.

The pre-school will be staging a joint Christmas bazaar and play on Saturday December 5th at West Hill Village Hall from 1.30pm – 4pm.

The children have been practising their play and made an array of Christmas crafts and gifts over the past few weeks in readiness for their festive event.

The Christmas bazaar is also an important fund raiser for the pre-school, which is a registered charity, and this year's event is sponsored by Exeter Window Store.

Pre-school manager Sara Dawe said: "The children are very excited and have worked incredibly hard to put on this event for their family, friends and the community.

"It is a great way for the children to get into the festive spirit and to display their creative talents.

"We are very grateful that so many local businesses are supporting our bazaar by donating wonderful items for our stalls and raffle, and by attending the event."

## Kick-starting festive mood

## ATM thieves unsuccessful

A CASH dispenser on Heathfield Industrial Estate in Honiton was damaged during an attempt to steal money from it.

The incident happened at about 3am on Friday, November 27th.

The police log did not say how the perpetrators tried to gain access to the cash but the attempt was unsuccessful.

Anyone with information is asked to call police on 08452 777 444, quoting crime reference KH/09/1064.

## CCTV women sought after fraud

◆ POLICE would like to talk to these two females in connection with a fraud case

POLICE have issued CCTV stills in an attempt to solve a case of fraudulent card transactions in Honiton.

The transactions took place on October 14th, and a force spokesperson said: "At around 1.15pm, on Honiton High Street, an elderly woman lost her purse which included all her bank cards.

"Shortly after this time a number of transactions were made for a substantial amount of money from cash machines nearby.

"Police are keen to identify the two women in the CCTV stills as they believe they could be able to help with police enquiries.

"If you know them or are them, please contact PC 6932 Gemma Siszukl on 08452 777444 extension 2634 quoting crime reference KH/09/925."

## New homes developer addresses concerns at residents' village meet

BY ANDERS LARSSON  
anders@tindlenews.co.uk

PLANS for a proposed development at Eastfield, West Hill, have been outlined during a meeting attended by the developer and local residents.

The aim is to have a follow-up meeting early next year as the plans develop.

Blue Cedar Homes is hoping to submit a planning application early next year for an estimated 20 affordable homes, 10-15 family houses and 20-25 retirement houses.

The developer stresses that the number of units are estimates and not definite figures.

The meeting was held in St Michael's Church Hall and organised by West Hill Residents' Association in November.

Apart from local residents, Nick Yeo of Blue Cedar Homes and a number of

councillors representing West Hill attended.

A spokesperson for the residents' association said: "Although Blue Cedar's plans are far from finalised, Mr Yeo was able to address a number of the concerns of residents.

"However, two major concerns remained: firstly, the development would be entirely outside the existing area of permitted development, and would create a dangerous precedent for the rest of the village if permitted.

"Secondly, the impact of the additional traffic generated by the new homes.

"Mr Yeo also pointed out several of the benefits of such a development, including low density and a managed retirement section."

Dan Jelly, chairman of the association, added: "We are grateful that the developer has agreed to work at an early stage in their

proposals with the residents of the village.

"We obviously have some concerns about this development but look forward to further dialogue as matters progress."

Mr Yeo commented after the meeting: "As a forward-thinking company we have wanted to enter into consultation within the local community at an early stage.

"I therefore made contact with the residents' association to make them aware of our forthcoming proposals for the land at Eastfield and they invited me to attend their residents' association meeting.

"I was very pleased to accept their invitation so that we could engage with local residents and look to understand and try to address any concerns at an early stage."

With regards to a follow-up meeting in the village hall, he said: "It is our intention to hold a meeting on January 8th and this date will be confirmed by mid-December."

## If You're Looking To Buy A Solid Silver Bangle For Someone Special This Christmas

**Let Me Tell You Why I Think You Will Be Impressed With This One;**

Like you, I like to find a present that's a bit special or has meaning and this bangle just so caught my imagination that I wanted to share it with you.

It has all the general features that you would expect; Hallmarked, diameter of six point seven cm and a weight of 16grams but it's the beautifully inscribed words on the outer rim, which sets it apart from any other bangle in its category.

The inscription reads 'to see a world in a grain of sand and eternity in an hour.' I sat for ages pondering over William Blake's words. I felt that he wanted to remind us that by focusing on the beauty and the aliveness of nature we can be free of time and all of its limitations. You see, most of us see life through our memories of the past and then try to seek fulfilment in the future. It's being 'present' that holds the gateway to life.

I couldn't think of a more beautiful way to convey this message than it being inscribed in a bangle. You can imagine her face, can't you? when she opens up the box and wonders over the words before putting it on her wrist.

I'm sure you can see now how it captivated me. I have only seven in stock. Priced at a proud £79.00 and worth every penny. Call 01297-32144 to place your order. Or fill out the coupon below. They will be dispatched first class on the same day. I should hurry because I know from past experience that they will sell out quickly and it may be difficult to get any more before Christmas.

I know you will be delighted. You have my word. Melanie the owner of Kismet store in Axminster. If however on receiving the bangle you don't agree that they are as beautiful as I have described then send it back for a full money back guarantee.

## Info appeal after Pulman's break-in

POLICE have issued an appeal for information after a window was smashed at the Pulman's View offices in Axminster.

Someone entered the car park at the rear of the newspaper office building, Tindle House, off Coombe Lane, between 5pm on Friday,

November 27th and 9.10am the following Sunday and smashed the window.

Anyone with information is asked

to call 08452 777 444 and ask for Axminster police.

The crime reference number KA/09/616.

# Flood area funds bid for survey

RESIDENTS of flood-prone Purzebrook have cautiously welcomed East Devon District Council (EDDC) proposals.

As previously reported, Purzebrook properties in Musbury Road, Axminster, were damaged by flood water in November — and not for the first time.

Calls for action were repeated and EDDC had an officer on site last week.

In short, the authority will contact Devon County Council, the Environment Agency and South West Water with a view to apply for funding for a camera survey of the culvert system.

An EDDC spokesperson said: "Before any remedial work can be done, it is important to establish where the pinch points are in the system and whose land those parts of the system occupy."

"We may then be able to draw up a strategy showing what needs to be done and who is responsible."

Affected residents have since been asked what they think of the idea.

Morrison Brown said: "It depends on how quick they work. This should have been done years ago."

His neighbour, Andrew Moy, met with the EDDC officer and described

it as a very useful meeting, saying: "I'm extremely pleased he came to visit. He is the first one to actively engage since last year. We hope this is the beginning of a process that will lead to an action plan."

He did, however, express concern about the funding element as he understands the survey cost is about £500 — an amount he feels should be made available straight away without the need for an application process.

Errol Thornhill, who lives on the other side of the road, added: "Yes, we would welcome any effort to relieve our plight."

But he felt the proposed plan would partly cover old ground as at least one answer sought by EDDC is already known.

He explained: "We already know where the main pinch point is, on the drive next to our house."

The council spokesperson expressed optimism by saying: "The recommendations of the Pitt Review, which followed serious flooding in Gloucestershire in 2007, are shortly to go before Parliament in the form of the Flood and Water Management Bill.

"This should make it a lot clearer who takes overall responsibility for co-ordinating flood relief works."

# Campaign march to raise domestic abuse awareness

◆ CAMPAIGNERS are joined by local government councillors, police — who supervised the march — and East and Mid-Devon Community Safety Partnership

BY ANDERS LARSSON  
anders@tindlenews.co.uk

CAMPAIGNERS hit the streets of Axminster to hammer home the message that domestic abuse is not acceptable.

The march took place on Thursday, November 26th, featuring Stop Abuse For Everyone (SAFE) members, local government councillors and East and Mid-Devon Community Safety Partnership.

SAFE has just changed name from Women's Aid, and the march was part of

Domestic Violence Awareness Week (November 23rd-27th).

As the title suggests, the aim is to raise awareness of the problem and let those affected know that help is at hand — both for victims and perpetrators.

As part of the campaign, leaflets are distributed across east Devon and will be available in premises such as police stations, council offices, hospitals, health centres, shops etc.

SAFE's helpline for Exeter, mid and east-Devon is manned 24 hours a day on 0800 3283070.

# Magic muffins sell in primary business bid

◆ PICTURED are various teams and staff in the muffins production centre

BY ANDERS LARSSON  
[anders@tindlenews.co.uk](mailto:anders@tindlenews.co.uk)

PRIMARY school teams faced the harsh realities of real businesses when taking part in an all-inclusive competition at Axe Valley Community College on November 17th.

The college holds what is known as business and enterprise status and had invited primary schools in the area to take part.

Those first to respond fought it out and there

could only be one winner.

Six-strong teams from Hawkchurch, Colyton, Kilmington, Seaton and Membury primary schools had to bake a set of muffins, produce packaging plus posters to market their product.

The muffins were tasted by various people at the college and two judges then named a winner based on the whole concept, not only taste.

The judging panel consisted of Jo Parker (head of Year 8) and senior teaching assistant Tracy Tresserras.

Magical Muffins from Kilmington Primary

School came out as winners and the team members were Jack Cilia-Herbert, Daniel Lathom, Jasmine Pearce, Jasmine Hussey, Holly Huscroft and Ella Burdett.

Hawkchurch Primary School claimed the runners-up spot.

Business and enterprise co-ordinator Bridget Bennett said: "We had a really successful day and everybody here was really impressed with the year 5s who were all so enthusiastic and hard working - I hope they enjoyed it as much as we all did."

Door forced in break-in

AN empty residential property in Colyton was broken into overnight between Tuesday, November 24th and Wednesday the 25th.

The property is situated between the town hall and the Spar Shop, and the offenders forced open the front door and caused minor damage inside.

A police spokesperson said: "If you have any information on this crime or saw anybody in the area of the town hall, especially on Tuesday evening, please call Seaton Police Station on 01297 626700, quoting crime number KN/09/663."

## Community surgery held

THE Seaton Neighbourhood Beat Police Team will hold a surgery on Tuesday, December 8th in The Community Resource Centre, Fore Street, Seaton.

Members of the public are invited to attend and discuss any concerns they may have with Police Community Support Officer Chris Bolsover between 9.30am and 11.30am.

# GOVERNMENT'S GREEN PROJECT SCRUBS UP WITH CASH INJECTION

BY ANDERS LARSSON  
[anders@tindlenews.co.uk](mailto:anders@tindlenews.co.uk)

SCRUB clearance is top of the action list for the Horner Hill turbar in Stockland thanks to a cash injection.

A funding agreement was recently signed for work already underway in parts of Stockland parish to transfer selected areas of dense scrubland into wildlife havens of purple heather and heath.

Money for work on the Horner Hill turbar comes from Higher Level Stewardship (HLS), a government green farming scheme that encourages farmers and land managers to protect and restore some of the region's most iconic landscapes.

Dr David Allen, of Stockland Parish Council, said: "This funding will build on work to manage the turbar at Horner Hill that was started almost a decade ago.

"The council very much looks forward to more people exploring this wonderful site and enjoying the spectacular views over the Blackdown Hills from it."

A Natural England spokesperson explained: "There will be an annual payment of £1,576 each year for 10 years for the HLS land management options on the site – woodland enhancement, heathland expansion, scrub and grassland management.

"Separately, up to £20,000 has been approved as payment over the first three to four years for specific capital work improvements such as scrub clearance and fencing. This will be paid as the work is completed.

"Historically, the Stockland Turbaries – of which Horner Hill is one – were areas of lowland heath and bog where peat turf was dug for fuel and gorse was cut for fodder.

"This form of land management kept the areas open but a subsequent decline of these traditional uses since 1945 has led to land becoming overtaken by scrub and woodland and an associated loss of diverse heathland wildlife."

It was also explained that, initially, the new funding will allow a programme of scrub clearance on Horner Hill.

In addition, an archaeological survey of the hillside will establish

the presence of any historic features on the site.

A new circular permissive footpath will be created, bird and mammal boxes will be provided throughout the site and new signage with wildlife and historic information will also be established.

Finally, when the site is ready, new fencing will enable native Ruby Red cattle to graze the heathland once again – restoring the hillside to its former glory.

\*The Stockland turbaries were established by Parliament under the Enclosure Act.

Seven pockets of turbar land totalling 66.6 ha are owned and managed by Stockland Parish Council.

These are Bucehayes, Quantock and Featherlake commons, Shortmoor, Huntshayes, Shore Bottom and Horner Hill.

Recently, both Bucehayes and Quantock have come into Higher Level Stewardship agreements, and Shortmoor is proposed.

Huntshayes is currently under an Environmentally Sensitive Areas agreement.

# Surprise guest on Friday the 13th!

**EDITOR** — It was the morning of Friday 13th! Though I'd never been troubled by that! It wasn't a thing I believed in. Any more than a lucky black cat! So on this particular morning I was sorting the laundry — no fears. Intent on just filling my washing machine. When an unusual noise filled my ears! It was a loud and a hard sound of impact. That shook the whole house with its pace. Not a sound that we ever encountered. In our 21 years in this place "Did you drop something?" I called to my husband. Upstairs on his computer that day. Whilst he was there shouting. That very same thing. It was puzzling. That's all we could say. So he opened and leaned out the window. Said "A car's driven into our yard!" "Through the gate that was meant for pedestrians!" "It's taken it rather hard!" We ran out to view the spectacle. Of a vehicle that's so in our face. It's not every day that you see such a thing. A car in the wrong sort of place! There it sat twixt the gate and the old village pump.

The finishing line of its race. Though the gatepost was gone. It was such a neat fit. Like it had a right to that space. None hurt within this kerfuffle. We're all pleased to know about that! But we're worried about the insurance. Does the driver have it? Off his own bat? So hot foot we ring our buildings insurers. In case we have cause for a claim. But to our horror our standing order's Stopped standing! In fact it was right down the drain! With relief we find the car has insurance. That all will be put back the same. Our gatepost replaced. The pump be repaired. Without all the hassle of blame. So this driver has done us a favour. Our insurance is now buttoned up tight. We're covered for fire, flood and theft. And all things that go bump. Both by day and by night!

# Gratitude to the fire and rescue service for excellent work

**EDITOR** — On behalf of all those affected by the recent flooding at Purzebrook, Musbury Road, I would like to express our gratitude to the fire and rescue service for their excellent work on November 13 and 14th.

Unfortunately, this is the second time in 11 months that we have experienced the effects of flooding and required their assistance.

After the heavy rainfall, Purzebrook became blocked and within 15 minutes flooded Musbury Road to a depth of 45cm.

Water poured in to the adjacent properties. When the first crew arrived the commander quickly

started pumping operations. The second crew from Colyton arrived with a mini ejector pump which meant our properties could be drained of water.

This crew also attended flooding due to the same cause last December and because of their experience were able to negotiate the structural complexities of the listed building.

Over the next four hours, help to clear properties and remove obstructions in the underground Purzebrook stream, quickly resolved the immediate difficulties.

We could not have received better service and their prompt action has

helped speed up the subsequent clean-up and drying out process immensely, although it will be many weeks before the properties can be redecorated and carpeted.

This has not been an easy time, particularly for our more senior neighbours.

The standard of care exhibited by the fire and rescue officers to those of us experiencing the repeat traumas of the flooding was exemplary.

Our sincere thanks to all concerned

Am I the only yes to Tesco?

**EDITOR** — Am I the only person in Ottery that wants to say yes to Tesco? It would certainly make the other stores here more competitive. At the moment their prices are too high for most of us on a fixed income. Furthermore instead of job losses the new store would create more jobs.

Most days when shopping here you see a lot of people carrying Tesco bags so they are being very hypocritical to say no.

I am lucky as I have a great neighbour and two good friends who take me to a supermarket when necessary as I can't drive and cannot afford the high prices some of the local shops charge.

Unfortunately I was unable to attend the meeting on October 30th as I was celebrating my 80th birthday.

## Agreement to flooding note

**EDITOR** — I would like to add a few words in agreement with everything that my neighbour has written (*Pulman's View*, November 24th) regarding the flooding problem that they and other residents in the Purzebrook area experienced once again because of the lack of funds to carry out the necessary important work.

If the developers of 11 new properties at Cedar Gardens get their way, it can only contribute to more drainage and flooding problems within this already vulnerable area.

It amazes me how short-sighted the so called powers-that-be are.

## Plea to locals to help keep post office queues down!

**EDITOR** — Readers will be aware of the recent lengthening of queues at Honiton Post Office. For whatever reason we do seem to have to wait longer to reach the counter staff.

I have always found the counter staff at Honiton Post Office pleasant, helpful, efficient and always with a welcoming smile. We are very lucky to have such nice people. These

counter staff work in an environment where their efforts are not always appreciated by members of the public.

On my last and recent two visits I was confronted by a large queue of about 12 to 15 people standing in line.

On both these occasions I noticed that the delays were due to customers being very verbose about matters that were not answerable by the counter

staff.

Please can customers do their bit to keep the queues down by leaving the post office after they have concluded their business and not waste time haranguing the counter staff about issues beyond their control.

Changes in his personal circumstances gave him the opportunity to move to Seaton and fulfil his dream of making photography his main focus. The Studio in Colyton provides the perfect venue for his business as well as a great place to meet many new faces and share his interest with them.

Richard is very passionate about what he does and when asked about his business he said, 'The camera provides the opportunity to capture some aspect of that which is beautiful in the world. Even the bad or the ugly can be given some aspect of beauty or wonder by a change of colour, or angle, or perspective. The camera draws my eye to different shapes and textures, colours and photographs, and in taking the time to appreciate these things I get a sense of grand design. With my camera, I have the sense of discovery of that design, and get to participate in its reproduction.'

A photograph holds one aspect of the visual world, not just for a fleeting moment, but for ever, and I love to seize the moment as I see it and share it with others. I believe my pictures bring a vibrant sense of life and light into people's homes.'

A selection of Richard's photos are available at The Studio, in a variety of sizes on canvas block, card mounts and ordinary photos. In addition there are a selection of calendars and greetings cards. Individual commissions maybe discussed. In particular Richard is interested in recording that special event for you, and preparing a souvenir book to preserve the memory of the occasion, examples of these can be seen in The Studio. ## David Gear Horticultural

I'm proud to announce the first anniversary of our successful move to new premises at 14 Riverside Workshops. I'm always aiming to give great service and would like to thank all my customers for their continued loyalty and business.

It's the time of year when I advise all gardeners to start thinking about getting their machinery ready for Spring. It's never too early to get organised and as I service all makes why not bring your machinery in now before the Spring rush.

It's chainsaw season and I have an unmissable offer for December and January of 2 for 1 on chain sharpening – bring 2 in and I'll only charge for one – there's nothing more frustrating than getting halfway through a job and have a blunt chain so I recommend you always have a 2nd sharpened chain to swap over.

As well as stocking a range of top name brands I also recognise it's a tough time for all so I now stock a great range of domestic power equipment that offers unbelievable value whilst still giving full parts back up. The petrol powered range includes: Long reach hedge trimmer – from £199; Hand held hedge trimmer – from £175; 26cc brush cutter – from £165

Leaf blower – from £139; 18" self-drive mower – from £299; 14" chainsaw – from £129, all prices include VAT at current rates.

Special winter offer - Combi system including: 26cc power unit, brush cutter attachment, long reach hedge trimmer, pole saw attachment all for just £299 inc VAT.

Don't be seduced by the big sheds and their Christmas offers – just think what'll happen if it goes wrong and remember you'll get a box and have to take the risk of assembling it yourself – I'll give you a fully working machine with the

## The Manor House

The Manor House, a grade II listed building, is a residential home for 15 elderly in Seaton, East Devon. The home is a short walk from the town centre and seafront.

The proprietors live on the premises which they feel helps to ensure that high standards are maintained. The home has recently undergone an unannounced inspection by our regulators, the Care Quality Commission (CQC) and has been awarded a 3 star rating demonstrating excellent standards. The Manor House has a cheerful homely atmosphere. Visitors often remark on how they are made to feel welcome at all times. There are well-trained staff on duty day and night. The Manor House has a small garden at the front and a courtyard garden at the back with a fish pond, bird feeders and often the resident dog and cat.

Our aims are to provide high standards of care, promote independence and to enable residents to live life as they choose. Residents are encouraged to follow their chosen pursuits and we provide a variety of entertainment such as quizzes & games. There are trips out around town and to the seafront and trips out in the charabanc. An activities/exercise organiser visits once a week. We have frequent visits from musical entertainers. Residents are encouraged to follow their chosen religious beliefs and a clergyman gives a communion service once a month. We always encourage residents to become involved in local events such as exhibitions at the town hall, sea front fêtes and the carnival. We have a visiting li-

mited to the home is a trial period to see if the resident is happy and to ensure we can provide the level of care required.

On admission a care plan will be made with the involvement of the resident and their relatives - this emphasizes the resident's potential to manage their own lives as independently as possible and to exercise their freedom of choice. Care plans are reviewed monthly or whenever there is a change in resident's care needs.

Fees vary depending upon the level of care required and whether the room has en-suite facilities. Fees include all care and accommodation costs, food, drink, heating, lighting and laundry. They do not cover the costs of newspapers, magazines, hairdressing and dry cleaning.

## Committee sees change

AXMOUTH WI president Olive Owen welcomed members to the annual meeting which included the WI advisor, Mary Andrews, and teller Barbara Down.

Changes to the committee include Carole Smith retiring with her place being taken by Val Trendall. Olive remains president. The new committee is: May Beason; Denise Gates; Sheila Hall; Dorothy Hart; Yvonne Hines; Wendy Lakin; Alison Morris; Norma Sweetland and Val Trendall.

The new WI logo was discussed. This is the ninth logo since 1916 and it was felt by most members that the latest logo was rather plain and uninspiring. There was a brief discussion on the resolutions.

The flower of the month competition was won by Katherine Ord-Smith with Janet Bodington, second, and Norma Sweetland, third. The competition was won by Wendy Lakin.

The next meeting will be held on December 8th and members are reminded to please bring a plate of food to share. The competition will be a Christmas snowman.

## Thanks vote

AT the Seaton WI annual meeting, committee members standing down from office were given a vote of thanks for their dedicated work.

Special thanks was given to outgoing secretary Heather Marriner for her three-plus years of service.

A decision was taken to donate the 2010 raffle proceeds to the Associated Country Women of the World charity (ACWW).

The Christmas shopping trip to Poole, Dorset, was a success. The next meeting will be in the new year.

◆ INNER Wheel Club of Seaton members are pictured with their Christmas charity shoeboxes

## Wheel turns out 30 boxes

INNER Wheel Club of Seaton met at the home of Mary MacLean to pack more than 30 shoeboxes with toys, toiletries, woollen hats, scarves, gloves and numerous other items which will shortly be on the way to Moldova together with two knitting machines, which one of our members had given.

The charity concerned is Christian Response in Eastern Europe which helps to deal with the plight of the Moldovians regarding new housing, medical and social problems.

After the packing was complete the host very generously provided a lunch of soup, sandwiches, cheese and biscuits.

The business meeting followed with president Pat Richards in the chair. A very warm welcome was given to a potential new member Liz Lucas. Two members are going to the district meeting in Exeter in December. A report was given by another member who had recently attended Exmouth Inter-Club.

Arrangements were made for the district chairman's visit in January when she will be a luncheon guest prior to speaking to the club.

## 'Buttons' of Dorset made

AT the last meeting of West Country Embroiderers, Christine Barber returned to the Ottery St Mary club to teach members how to make Dorset buttons.

Women made buttons, which can be used to make flower heads in a picture or Christmas decorations.

Anyone interested in learning how to stitch or expand their knowledge of embroidery stitches will be welcome to join the group which meets on the first Monday of the month at 10.30am. For further information telephone Pat Snelling on 01404 812651.

On Friday, December 4th the West Country Embroiderers will hold a coffee morning and sale of Christmas gifts and cards from 10am until 12.30pm at The Institute, Yonder Street, Ottery St Mary.

## Polio rid bid

THE Seaton and District Rotary Club would like to express its thanks to those who helped contribute towards the fundraising campaign to help eradicate polio once and for all.

Rotary clubs worldwide have helped to largely eliminate this terrible disease, but one or two remote pockets in areas of Asia and Africa still remain.

A Rotary International Campaign has been launched to raise funds to tackle these remaining regions.

Local fundraising activities included a tombola stall in August and subsequent events during the Tour of Britain cycle race.

This has enabled the Seaton and District Club to send a £600 cheque to Rotary International for its Polio Plus Scheme.

# Members' amazement at super Noodle's training

THORNCOMBE WI hosted an invitation meeting in October with guests from local institutes including Blackdown, Charmouth, Chideock, Winsham and Tatworth.

The speaker was Ann Norcott, from Canine Partners, who brought her working dog, Noodle, with her. This

charitable organisation supplies fully-trained assistance dogs to work with people with mobility and a wide range of physical disabilities with the aim to enable them to live more independent lives. Canine Partners' dogs are trained to respond to over a hundred commands including operating a pedestrian crossing or lift button,

unloading the washing machine, picking selected items off supermarket shelves, handling over a purse at checkouts, collecting money from a cash machine and a whole range of emergency procedures.

Noodle, an eight-year-old retriever poodle cross-bred dog has been with Ann for six years and happily

demonstrated his skills. He picked up dropped items, operated a TV remote control, fetched a telephone and opened and closed doors. All present were amazed at the dog's skill and the training involved and were happy to exchange doggy tales with Ann and Noodle during the splendid buffet supper.

## Alexander Paul

The team at Alexander Paul Antiques would like to invite readers of 'View From....' to visit our showroom at Fenny Bridges. At Alexander Paul we specialise in sourcing country style dining and coffee tables which are traditionally made of chestnut, oak and cherry. However we also carry a wide range of other styles of furniture and are often successful in sourcing specific pieces requested by clients. Our highly skilled restoration team are also available to work on your own pieces of furniture.

We are easy to find: first left off the west-bound A30 past Honiton, with plenty of on-site parking available.

Antique furniture represents extremely good value even when compared to most mass-market modern furniture, and a better investment than contemporary or reproduc-

tion furniture. Of course the choice is an aesthetic one, having an appreciation for furniture with character that has developed through hundreds of years.

The subtle shades of colour, changes in texture and the faint smell of beeswax all create a superb sensory experience that anyone can enjoy.

What is a Chartered Building Company? - **Mr D. Pearce**

#### ANSWER:

Chartered Building Companies are run by qualified professionals who must ensure that the majority of their Directors and Partners are qualified members of relevant chartered institutions, and that a significant proportion are corporate members of the Chartered Institute of Building. Chartered Building Companies are bound by a comprehensive Code of Professional Conduct. This commits them to a quality of service, integrity of conduct and overriding concern for client interests.

# Win tickets to witness spirit of the ice show

THE exhilarating fusion of fire, air, earth and water in the Holiday on Ice 2010 UK Tour — Spirit is coming to Westpoint, Exeter, on February 16th-21st 2010 and Pulman's View has a family ticket for four up for grabs.

Fire, air, earth and water is the theme of the sensational new Holiday on Ice production — Spirit — presented by the world's most visited ice show and five times' winner of Best Event For Groups.

In 2009 Holiday On Ice celebrated 65 years of entertaining audiences around the world and Guinness World of Records has recognised Holiday on Ice as the World's Most Visited Ice Show, attracting over 320million visitors since it started.

Celebrated artistic Director Robin Cousins MBE and choreographer Karen Kresge have co-produced a cultural extravaganza of inspirational ice skating, combining the natural beauty of the four elements with global traditions and modern rhythms.

A voyage from east to west, world-class ice skaters glide from sunrise to nightfall, recreating the ethnic splendour of Asian cultures, ancient mysticism of Stonehenge and tribal gathering of native American Indians.

Robin Cousins said: "Collaborating with long-time friend and choreographer Karen Kresge has helped me bring a different feeling to this production of Holiday on Ice. We have a synergy that perfectly matches the ideas that bind the scenes of Spirit together. It's lavish, ethereal and exciting, everything a good show should be."

Earth awakens with the sun rising in the east, while ancient wise men evoke the wind and worship the mystical forces of the tranquil element of air; a lively nymph plays in the beautiful water garden

and powerful dancers summon up the fire spirits.

Musical director Maurice Luttkhuus explores the nature of the human spirit with an emotional and passionate score, where the haunting melody of the Chinese warrior ice dance contrasts with the pulsing hip hop beat of the urban street dance number.

Holiday on Ice, and its new production Spirit, offers a complete entertainment experience for all ages, with an international award-winning set, dramatic scene changes, creative lighting and a dazzling collection of over 350 extravagant costumes.

Skaters tumble from the sky in amazing, airborne gymnastics and spiral and dance on the ice with dynamic energy, performing some of the most dramatic lifts ever choreographed in a Holiday On Ice production.

To be in with a chance of winning the family ticket for four to watch this amazing show, simply answer the following question correctly.

Q: What is the missing fourth component in the Holiday on Ice 2010 UK Tour show, Spirit — fire, air, earth and ...?

Send your answer, along with your name, address and contact number, to: Holiday on Ice Competition, Pulman's View, Tindle House, South Street, Axminster, Devon EX13 5AD to reach us by 9am on Monday, December 21st 2009.

Tickets start from £14.50 with all children at £10 (subject to a booking fee). Big savings for groups — buy 20 tickets and get 1 free when booked as a group and save up to £4 on each adult ticket. A group is 10 or more people.

For more information or to book tickets call the box office: on 0844 999 955 or visit [www.holidayonice.co.uk](http://www.holidayonice.co.uk).

# Pulman's

View from  
the churches

With Nigel Speller

**PASTOR** Darrell Holmes from Kilmington Baptist Church heads our contributions this week and writes:

If you had a child that wasn't growing, you would suspect it wasn't healthy. The same principle applies to churches — healthy ones grow. On that basis, Kilmington Baptist Church is healthy. Membership now stands at over 70, having grown from 60 over the last 18 months.

Being a member of a Baptist Church normally requires a person to have been baptised by immersion as a believer, though we do make some exceptions. We don't just "count heads in the pews", our membership is made up of those who have made a deliberate decision as a Christian to be a part of the local congregation. On Sunday mornings we attract people from all walks of life, and all ages. However, we want to continue growing and welcome all people of any faith, and of none, to come along and see why a growing number of people want to join our congregation.

This column reported at the beginning of November the Church of England deliberations regarding procedures for the consecration of women as bishops including a late change after the General Synod debate. This led to the invitation from the Roman Catholic Church to those who had difficulty over the plans. It has now been reported that the late change in the proposals has been withdrawn and so we must await further developments.

Since this matter arose, the Archbishop of Canterbury and Pope Benedict XVI have had a meeting in Rome which is reported as

"discussions following the recent events affecting relations between the Catholic church and the Anglican communion". The Vatican subsequently reported the meeting of the two religious leaders as "cordial." In an act of symbolism the Pope is reported as giving the Archbishop the gift of a pectoral cross to wear round his neck, as a sign of friendship and fraternity.

Other material for discussion groups is available from the Devon County Ecumenical Officer on 01822 890412.

A lighter offering by Churches Together in Devon is coming to BBC Radio in Devon and Cornwall on December 22nd at 8pm in the form of an interactive community carol service, and local communities are invited to host this in a local pub, club, care home or church. More details from singchristmas@gmail.com or 07593 911143.

Colyton Leisure Lunches returned last week on November 26th in a packed hall, including some welcome newcomers. Christmas lunch is on December 17th at 12.30pm — special price of £5.50, and bookings must be made in advance at St Andrew's Church, Colyton. Wheelchair access is available to these meals on 01297 552212.

The majority of churches in east Devon are producing Christmas services leaflets and posters, so do look into your local church to find out what is on offer such as carol singing, Christingle and crib services, concerts and Christmas parties maybe. There are also church magazines and a number of church websites all carrying this useful information at this time of year.

The times of services may change so do consult those Christmas leaflets. More resources from a different source may be viewed on the Arthur Rank Centre (ARC) website which contains an outline of worship resources relating to Christmas, Epiphany and the new year, and on to Plough Sunday, lambing and the Week of Prayer for Christian Unity. Visit [www.arthurrankcentre.org.uk](http://www.arthurrankcentre.org.uk). Exeter Anglican Diocese is not

producing a central Lent course in 2010 but a number of topics suitable for Lent discussions will be available with titles such as Why Go to Church? And When I Survey — further details from Exeter Diocese CMU on 01392 294930.

Christmas lunch is on December 17th at 12.30pm — special price of £5.50, and bookings must be made in advance at St Andrew's Church, Colyton. Wheelchair access is available to these meals on 01297 552212.

The majority of churches in east Devon are producing Christmas services leaflets and posters, so do look into your local church to find out what is on offer such as carol singing, Christingle and crib services, concerts and Christmas parties maybe. There are also church magazines and a number of church websites all carrying this useful information at this time of year.

The times of services may change so do consult those Christmas leaflets. More resources from a different source may be viewed on the Arthur Rank Centre (ARC) website which contains an outline of worship resources relating to Christmas, Epiphany and the new year, and on to Plough Sunday, lambing and the Week of Prayer for Christian Unity. AXMINSTER Country Market's annual Christmas tasting event

took place on November 26th.

Customers had a wide choice of puddings, pies, cakes and much more when browsing the tables.

Patricia Bruzon of the country

market manned one of the tables and said: "We are ready for Christmas orders." More information about placing orders is available from Jenny Davies on 01297 214 61.

## Mayor to open school festive bazaar

A CHRISTMAS charity bazaar, hosted by St Mary's Roman Catholic Church in Axminster, will be held on Saturday, December 5th.

The bazaar will be staged in the Guildhall from 10am to 1.30pm — and a dozen or so local and national

charities will be represented.

Organisers say there will be a lot of stalls selling a variety of things, and the bazaar will be officially opened by Axminster mayor Ron Jones.

Admission is free and Father Christmas will travel through town

from St Mary's church car park, arriving at the Guildhall at about 10.45am.

Children from St Mary's Primary School will start singing carols at around 11.30am and Father Christmas will leave about an hour later at approximately 12.30pm.

## Axminster Festive Friday

Fun and games in the town centre are being organised for the families and children of Axminster as Christmas approaches.

Festive Friday, as the event is being called, will take over Trinity Square at 5.30pm as darkness falls on December 11.

Stalls and a grotto for Father Christmas will fill the Square, which along with Silver Street will be closed from 3pm.

Lights on the Minster Green Christmas tree will be switched on as bells from the church peal out. The Minster choir will lead carol singing outside the church.

While Father Christmas and Punch and Judy keep the children happy, mum and dad will enjoy hot roasted chestnuts, mince pies and mulled wine.

The Karizma Majorettes and the Chard Concert Brass Band will add to the entertainment.

For the more energetic children the Young Farmers are organising a surprise game.

The Rotary Club of Axminster, with the help of the Chamber of Commerce, are organising the event for all the family. The Lions and Inner Wheel will also be involved.

Rotary president Michael Garratt said: 'The town missed an outdoor event in the run-up to last Christmas. This year we're bringing it back, bigger and better than ever.'

Delia Pring has been carrying out body piercing from the Tat Shack in Axminster since August, and has gradually been building a loyal and satisfied client base.

Delia attended the University of Plymouth where she received a BA Hons degree in English. Subsequently she qualified through The British School of Body Piercing, and is a member of the British Body Piercing Association.

With Delia's experience and professionalism she now has a full and versatile range of piercings available including navel, lip, tongue, eyebrow, scaffolding and surface.

Delia strives to ensure customer satisfaction, endeavouring to provide each individual the best possible experience, in a clean, friendly environment.

Health and safety is a must with Delia, therefore ALL clamps and jewellery are sterilised for each customer prior to piercing in a certified autoclave. This ensures the sterility of the equipment, and gives each customer the confidence and knowledge that their piercing is hygienic and clean.

In accordance with The British Body

Piercing Association ruling, a piercing 'gun' is only suitable for standard ear lobe piercing. Therefore all other piercings are performed using clamps and a single use, sterile needle; thus promoting a safer procedure, and ultimately a better experience for the customer.

When it comes to the initial piercings only highly polished titanium jewellery will be used. Customers are spoilt for choice when it comes to the range of piercings available, as well as the opportunity to purchase a range of bars, stretchers, tunnels and plugs. If the item you desire is not available other pieces can be ordered on request.

## Scott Rowe & McKinlays Grand Prize Draw in aid of the local Hospiscare Branch

Scott Rowe Solicitors have joined forces with McKinlays Estate Agents to give a last push to fundraising efforts in aid of the local Hospiscare branch.

McKinlays set themselves the ambitious target of raising £10,000 for Hospiscare throughout the course of 2009, with larger events such as 'For One Night Only' and lots of smaller events, including a coffee morning last week. At present the total stands at over £9,000, but a last push is needed to reach the final goal. So Scott Rowe have lent their support and have put together a Grand Prize Draw to help achieve this.

Scott Rowe have provided the top prize of a luxury hamper from Millers Farm Shop, which can be seen on display in their Axminster Office, and staff members of both McKinlays and Scott Rowe are donating smaller prizes so there will be plenty of prizes to go around.

Tickets cost £1 each and are available from the Scott Rowe offices in Axminster, Chard & Lyme Regis and the McKinlays office in Axminster. The draw will take place on Festive Friday (December 11th) at Scott Rowe and tickets are now on sale.

Please help support a local charity and help reach that all important £10,000 target.

## Unusual rural property to be finished

THIS spacious, detached barn conversion is situated within a small settlement in a semi-rural location just outside the village of Rousdon, near Lyme Regis. The property was converted in the 1940's and has recently been improved and updated by the current owners to include replacement double glazed windows and doors throughout, slight redevelopment of the layout and under floor heating to the ground floor with radiators to the first floor. Some areas of the house are as yet unfinished.

The spacious accommodation includes, four bedrooms, with an unusual master suite comprising bedroom, large bathroom, dressing room, and laundry room. There is a separate shower room on the first floor and three further bedrooms. Downstairs accommodation offers small sun room off the sitting room, dining room and lovely re-fitted bespoke kitchen; off the kitchen is a rear lobby leading to a utility/wet room, walk-in larder and a small study area.

Outside, to the rear is a large yard with driveway parking and carport with adjoining workshop. To the other side of the workshop and adjoining the sun room is an enclosed, gravelled courtyard garden with pergola with plenty of room for seating and barbeques. The main garden lies to the front just opposite the house and is completely enclosed, comprising of mature planted areas, a pond and a former vegetable garden. The property is offered to the market with a guide price £450,000 through Gordon & Rumsby estate agents. Please call 01297 553768 or 01460 30888 for more information or to book a viewing.

## A strange year but things are looking better ...

JULIE WHITE, director of well-respected team estate agency, Fortnam Smith & Banwell in Seaton, reflects on a strange year in the property market and looks forward to a positive 2010...

WELL, things are looking up. 2008 ended on a low, but at the beginning of 2009 the low interest rates coupled with the dip in prices attracted a brand new group of investors to the property market – those with saving in the bank. For many making a minimal amount of interest on their cash, property became the new long-term savings plan.

One of the problems the market faced this year was the unwillingness of lenders to offer the high loan-to-value mortgages needed by most first time buyers, but some lenders have now started to relax their tightened, risk-averse policies and 90% and 95% mortgages although not yet commonplace again, are once again out there.

In April/ May, the general market began showing good signs of recovery and by June, some confidence was back with many buying in the belief that the market had bottomed out, a particularly attractive incentive when coupled with the savings

made with the Stamp Duty Holiday and reduction in VAT.

Since then, the level of activity in the market has increased every month and prices are rising once again at steady, reasonable levels. Despite the normal seasonal lull, we're so much busier than we were at this time last year with new instructions and there are still plenty of buyers out there. It seems many have waited for a level of normality in the market and feel that now is the time, regardless of the revised changes in VAT and Stamp Duty, to make firm plans to move in order to be settled for the spring – a decision many people postponed 12 months ago.

Now, I can't believe it's only three weeks till Christmas! It's always lovely to show prospective buyers around properties beautifully decorated for the season and it's a wonderful time, with the fresh beginnings of a positive New Year on the horizon.

CHRISTMAS AT

*The  
Wheelwright*

£70.00  
per person

£35.00  
Children (3-12 years)

**I**t's not often that one discovers a 'Gastronomical Aladdin's Cave' in the heart of the South West. A genuinely warm and homely welcome, an eyebrow-raising menu selection, masterminded by a close-knit team of chefs who believe passionately that offering the best food revolves entirely around the very freshest, locally sourced ingredients, simply prepared and elegantly presented.

"It's as simple as that really" says Head Chef Damon Ralph "we wanted to be honest about what we do in the kitchen, get back to basics with seasonal produce and give diners traditional dishes with a modern twist". And that's exactly what they have done at The Wheelwright, in abundance. Their pan-fried local scallops with black pudding, celeriac and apple puree, is inspired. Roasted loin of monkfish, wrapped in Parma ham served with a glorious shellfish casserole, pure genius. And the panna cotta with spiced plum compote, to die for (many times over). Even their homemade chocolates are sheer delight.

"One of our senior chefs here is a confectionary nut, we asked him to really 'push the boat out' and create something totally unique". But you don't have to go for a full sit-down meal. "We have a great selection of very popular deli-boards on offer from our bar menu" says owner Gary Valentine, "or why not just pop in for a festive, freshly baked mince pie, brandy butter and a latte, in front of one of our roaring open fires, you are all more than welcome". For bookings please contact Gary or Toni on 01297 552585.

The O

CHRISTMAS at The Old Inn is always a special time, whether it be a little family celebration or a crowd of work colleagues enjoying the festive spirit the atmosphere created by Duncan and Leigh has always been just right. This is their third Christmas at the pub and each year has built on the success of the past. Their Chef Adam will be celebrating his second season there and has come up with a new menu for their guests.

'The new menu offers a twist on some classic dishes' Adam told us. 'This year we are combining the dark turkey meat with the stuffing and roasting it with the breast meat. The combination of flavours and texture is fantastic and we have been practising on our regulars over the last few weeks.' Other items include some old favourites but all cooked with the flare and care that has given this little pub a big reputation.

Christmas parties can be booked by calling 01297 32096 and more details, as always are available, online at [oldinnkilmington.co.uk](http://oldinnkilmington.co.uk)

## Review: A Christmas Carol by Seaton Drama Group

I'd looked forward to seeing the second 'Farndale Avenue' play by Seaton Drama Group and 'A Christmas Carol', directed by Val Christmas, did not disappoint.

Phil Christmas was the lone male playing the terminally bewildered stage manager, Gordon. He also had four other parts, including Mrs Cratchit complete with bristling moustache. He performed them all with his usual poise.

Marilyn Sibley gave a fine performance as Scrooge, keeping a grouchy scratchy voice going till the end.

Liz Redston as the bossy Mrs Reece, who also played multiple parts, getting suitably muddled and distracted through all of them.

Beverley Hammett did well with her varied characters,

BY BEVERLEY HAMMETT

at one point balancing on Phil's shoulders as the Ghost of Christmas Present; brave girl.

Debbie Bradley as Bob Cratchit, plus other parts, was very funny giving a very stiff-necked performance due to the fact she was encased in a neck brace for the whole show.

And last but by no means least, a fleeting and very funny visit by an over-excited, hyperactive vicar played by Mick Redston.

The real Backstage crew, Front of House, Bar, Tea ladies and Lights were as usual excellent.

It was an enjoyable evening. It's a shame that this small hard-working group isn't better supported by the folk of Seaton.

TICKETS are selling fast for the December production of 'Bugsy Malone' brought to you by the kids from Confidance.

Sara Perry (Director), Mick Redston (MD) and the all child cast (aged 7-16) have been rehearsing hard for the last few months and judging from Sara's last two shows 'Lost In Musicals' and 'Britains Got Taste' earlier in the year, 'Bugsy' is sure to be another first class performance.

Set in 1920's New York City, the story captures a flashy world of would-be hoodlums, showgirls, the rise of 'Bugsy Malone' and the battle for power between 'Fat Sam' and Dandy Dan. The musical is a 'Grand Slam' of splurge, custard pies, flour bombs and gooey pandemonium which should not be missed so grab your tickets quick!

Friday and Saturday night are Gala nights, so feel free to come in fancy dress there will be a prize for the winner. If you are stuck for ideas get down to the Hobby Shop and they will be able to help supply you with gangster attire.

## AXE VALLEY RUNNERS Rain-soaked - but fun

with Dave Mutter

YOU don't really need reminding, but the weather early on Sunday morning was dreadful, with howling winds and bucket loads of rain.

Most people would certainly bulk at the idea of going for an enjoyable running race, not so the many AVR's who had a go at the Bicton Blister - a 10-mile multi-terrain event run mostly over a sodden Woodbury Common.

The race director summed up the course at his pre-race briefing: "it's very muddy!" The understatement of the year.

Gloopy paths and trails were interspersed with what normally would be gentle flowing streams, but were deep brown torrents of water, some well over a foot deep. Add to the mix a variety of hills and exposed quarries and you have a superb race. SWRR Tom Mearson found the going easy enough; he won in a very respectable 1:01:36. Luke Reed's run of form continued, he was the first AVR home, 20th out of 356 in 1:09:55. En route Bernard Fry espied the runner in front twist his ankle in a concealed hole, so to even things up a bit he decided to fall over in sympathy.

This had no profound effect on his performance as Bernard ran on to be the 2nd over-50 finisher, 56th overall in 1:15:31.

Graham Newton would have been very happy with the conditions as his is a very accomplished canoeist, maybe that gave him an edge as he was 2nd over 60 finisher, 91st overall in 1:20:13. Graham was followed by AVR's most enthusiastic racer, Eleanor Wood. Once again she did the club proud, winning the over-50

Ladies title, 111th overall in 1:23:06. Richard Hale did manage to find the concealed hole and twist his ankle, but he ignored the pain to finish 2nd over 55, 134th overall in 1:25:02. Sue Campbell had a very good run, she was 4th Lady veteran, 153rd overall in 1:27:01, with Mark Hilder hot on her tails. He was 155th in 1:27:08.

Steve Reynolds had a ding dong battle with Chris Irving, but after a final pass on an uphill section Steve pulled away to be 161st in 1:27:49, with Chris 173rd in 1:29:30.

Klara Pritasilova didn't exactly follow the coaching manual for race preparation.

Instead of a pasta meal and early night Klara worked at the Grove until 4am, then kebab loaded. After three hours sleep off she went and ran her heart out, finishing 179th in 1:29:57, looking forward to a good nights kip.

Dave Mutter was chuffed with his effort, 227th in 1:35:17. Gill Day had husband John to keep her going and in her first long off road adventure ran very well to complete in 2:12:48. All runners agreed it was a brilliant race, especially considering there was a last minute change of venue.

The technical T shirt given as a race memento was of superb quality, so next year why not come along and have a go at either the 10 mile Blister or five mile Blister Lite.

Harry Moore and Steve Atkins ran the RNLI five mile around Colyton event in 63 mins. This was a road walk/run to raise much needed funds for the RNLI and Harry's effort will certainly add many pounds to the coffers. Paul Morgan was also spotted en route - is he making a running comeback?

## HONITON HORNETS

### Herniman goal seals victory

ISCA 4th 0 Honiton 1

HONITON travelled to Exeter University this weekend for their league match against ISCA 4 on the water based pitch.

Despite an initial soaking from the weather Honiton started strongly with a number of attacks into the ISCA circle and were rewarded with a well placed goal from Jean Herniman from a Julie Tucker pass.

As Honiton struggled, at times, to cope with the different pitch surface and the speed of the ball, ISCA continued to attack. Honiton's defence remained sound at the back and with a little help from the post on one occasion kept the ISCA players from scoring in the first-half.

The second-half went much the same way as the first with both teams attacking strongly. Honiton chased down several balls to the back line and had

several attempts into the ISCA circle but none were successful.

At the other end Honiton's defence remained strong - with a little help from the goal post - with Sue Stone in goal having another excellent game.

Despite the best efforts of ISCA, the score remained ISCA 0 : Honiton 1 at the end of the match. Player-of-the-Match was Sue Stone, closely followed by Julie Tucker who had an equally excellent game in midfield.

Next week's match will be against Dawlish at Ottery.

## Golf round-up

### AXE CLIFF with Janet Dack

THE Ladies at last managed to play a Winter League competition, even though the weather was very blustery and wet at times.

The intrepid winner was Margaret Brown with 16 points over 13 holes

Last Friday after two days of wild weather, the conditions were ideal for the Seniors' November Stableford.

This was reflected in the scores returned by the field of 30 contestants.

For a while it seemed the winner would come from one of the three players with 38 points but they reckoned without John Mant (20) a late finisher scoring 41 points to

claim first prize. Second place, on count-back, went to Malcolm Glass (18) and third spot to Keith Wilson (12) with Alan Vincent the third player to have 38 points and the one to lose out from the prize list.

### HONITON with Paul Dimond

IT is hard to know what is worse, sitting at home wishing the course was open or playing in the wind and rain.

This week 75 stalwart Seniors took the latter path and battled the elements in a Medal competition.

A number of cards sported the dreaded double figures on a hole indicating the difficult

conditions. Some people however seem to thrive in adversity and in Division One Keith Crane was a comfortable winner with a net score of 68 despite taking 8 strokes on the 17th hole.

The remaining prizes went to Peter Shepherd and Bill Spice, both on 70 and Don Stroud and Brian Elkington tied on 71.

The winner of Division Two and the monthly tankard for the best overall score was Chris Street with a net 68. Norman Runciman on 70, Malcolm Matthews 71, Peter Dart 71 and Geoff Gilbert on 72 were the other prize winners.

## FIRST ROUND WIN WRAPS UP CHAMPIONSHIP TITLE

PHIL Studley of Axminster showed his class with a stunning win in the final round of the AMCA British RockOil Hare and Hounds Enduro Championship at Adstone, Northampton to wrap up the national title.

In gruelling conditions he took the hole shot in the 3 hour long endurance race and came round after the first lap in third tucked in behind his elite class rivals. The local rider revelled in the difficult conditions and soon took the lead and held that position until the end of the race to wrap up the class.

Phil, 29 from Axminster said, 'I have had consistent finishes all year which gave me a small cushion but anything can happen on the day, it was very hard going but once I was in the rhythm I enjoyed the race'.

This was Phil's first year racing in the National series and he can add the title to other numerous race wins and regional titles this year including the Exmoor Championship to name a few.

When asked his aim's for the 2009/10 season; 'I would love to successful defend my Championship title and continue to develop my campaign of race/title wins including the infamous Western Super Mare Beach Race which was unfortunately cancelled on the start line this year and the

'Tough One' event in North Wales in January which is renowned as one of the premier events in the world'.

'Obviously like any privateer competing in motorsport I am the rider, financier and mechanic! So I am avidly looking to develop local business that would benefit from regional and national exposure'.

Phil can be contacted on ["mailto:info@experienceh2o.co.uk"](mailto:info@experienceh2o.co.uk) [info@experienceh2o.co.uk](mailto:info@experienceh2o.co.uk)

## Rugby round-up

ON yet another day when the average rugby spectator really needed to be fitted with guttering, I made my way to Bridport to watch them finally beat Swanage & Wareham seconds by 15 points to five after a game which, although it did not rate all that highly as a spectacle, contained one or two interesting aspects.

Several games fell victim to the weather, with both the Honiton second and Colts sides having to cancel because of unfit pitches.

### CHOSEN HILL FORMER PUPILS 13pts

#### SIDMOUTH 16pts

THIS was a vital encounter for Sidmouth but, playing with the elements in their favour in the first half, they were far from impressive, making far too many errors for their own peace of mind.

Their opponents, playing up the slope, took the lead as early as the tenth minute. They made their way into the Sidmouth twenty two and did cross the line only to be held up. They won the ensuing five metre scrum however and executed a dummy scissor in midfield to culminate in their fly half running to the posts unopposed. He converted his own try and his side held their 7-0 lead until the end of the first quarter, at which time Channing reduced the deficit by kicking a long range penalty goal and the score remained at 7-3 at the halfway stage.

Chosen Hill would certainly have been the more confident side at this juncture. Their pack was going well. They were in the lead and they would have the slope in their favour in the second period.

In the event though it was Sidmouth who began to make inroads early in the second period. Their error count reduced and their eight began, vitally, to establish a bit of an edge. They began to ask questions of the home defence too and, after one or two of their probes had been dealt with, pressure told and half Channing charged over by the posts after his pack had recycled from a ruck close in. He converted his own try and Sidmouth led 10-7.

Old habits then reassured themselves. They failed to claim the restart kick and conceded a penalty while trying to rectify the situation. The home place kicker bisected the uprights and

the scores were tied 10-10.

Sidmouth responded immediately however and, after a good run by Chesterton, now restored to the fold, had set the position, the home defence infringed and the boot of Channing restored their lead.

Penalties were being swapped seemingly at regular intervals at this stage and the home side again tied the score via the boot after Sidmouth had again infringed at the restart.

At 13-13 with time running out matters were getting a little fraught, but the visitors were in the ascendancy, apart from the restarts. They attacked once again, won another penalty and Channing again kicked the vital goal.

They seemed to be unable to deal with restart drop outs effectively however and this time conceded a scrum on their twenty two, giving Chosen Hill the opportunity for attack. They went through several phases, eventually winning a penalty, but kicked the award to the corner to go for the try. Hannay, who had been at the forefront through out, won the ensuing lineout against the throw however, and Sidmouth cleared.

It was not over. Chosen Hill threw everything into a late attack, being held up over the line on one occasion, and forcing Sidmouth to save on another. The defence coped but the final whistle came as a great relief.

This win, narrow though it was, may well prove vital to Sidmouth's entire season. It takes them clear of the relegation zone for the time being and will certainly give confidence. Now if they can repeat the process at home against Clevedon on Saturday next...

### HONITON 5pts ILFRACOMBE Nil

A FIRST requisite for any one who chooses to travel with the Honiton first side to their away games is to be of an adventurous and phlegmatic disposition. A sense of humour too would not go amiss. The above score line does nearly represent the drama of the afternoon.

It all started some time before the team reached Ilfracombe. Already weakened by injuries and hastily arranged holidays, a car crash en route did not help their cause overmuch and caused out-half Nex to miss the game, he having to stay with his vehi-

cle. His passengers eventually got to the ground, possibly a little shaken, and the game started albeit a little late.

It too has to be said that conditions were horrendous and that Ilfracombe are a far better side on their own paddock than they are on the road.

With a cross wind driving rain before it, Honiton had by far the better of the first half but could not turn pressure into points. They did cross the home line from a five metre scrum but the try was disallowed and another five metre scrum awarded.

They called the same move again however, and this time Josh Barrett crashed over 15 yards from the posts. Of course Nex, their place kicker, was stranded somewhere in the wilds of Exmoor with his car and Webber's attempt rebounded from a post, and his side had to be satisfied with a 5-0 lead at the half way stage although they had faced the elements in the first half.

More incidents followed. De Large who had taken the role of out-half, took a knock in the final minutes of the half and had to be substituted and, after a few minutes' play in the second period Samson joined him on the touchline, having suffered a cut to the head.

His departure caused an even more major reshuffle with skipper, Jason Hannay reverting to the back division, and Dobson, more comfortable on the wing, taking the number ten position. Their cohesion suffered understandably and they were unable to take full advantage of the conditions.

They hung on however, with Man-of-the-Match, Churchward prominent. All the newcomers to the first team squad put their hands up and, although they had to defend a late home rally, they did so and came away with the win that was certainly obtained in some adversity.

### PREVIEW

Another round of league fixtures takes place on Saturday next and both local sides have home fixtures.

HONITON will look at opponents NEW CROSS and probably feel that they want to get their own back.

I seem to recall that they returned from Plymouth earlier in the season rather frustrated that they had lost 8-6 and that they

really should have won. Seemingly several refereeing decisions did not go their way for they crossed the New Cross line several times, only to be brought back of one reason or another.

New Cross have had a fair to middling season and have themselves been on the wrong end of one or two close encounters. I think Honiton will win this one by a couple of scores after a hard game.

SIDMOUTH'S run up to Christmas does not get any easier with the visit of CLEVEDON. The North Somerset side, having escaped relegation last season, have enjoyed better fortunes so far this term and lie in the division's mid table, having won more games than they have lost.

The Blacknoon side hopefully will have taken something from last Saturday's result. They will have gained in confidence knowing that they are able to "close games out". A win here is certainly not beyond them if they play to their capabilities.

The Honiton second side really should have the beatings of Ivybridge thirds, while Honiton Colts too should be too strong for Ilfracombe seconds. Sidmouth Colts though will have to be at their best if they are to take on visitors Wellington successfully.

## FOOTBALL RESULTS, FIXTURES AND TABLES

### Devon & Exeter League

UNBEATEN Seaton Town took over top spot in Division One with an electrifying 6-0 win against former leaders Heavitree Social United.

Such was the quality of their game that Seaton might have enjoyed double figures and reckoned Heavitree fell apart after going two down (see match report, right).

Sidbury United who are also unbeaten in the League recovered from last week's cup defeat with a 2-0 win against a better than expected Broadclyst. Sam Elstub and Kieran Small scored for Sidbury in either half.

Beer Albion drew 1-1 with Mordard Bishop and reckoned their failure to take chances in the first-half undid them. John Cooper was the Beer scorer but Mordard came back well in the second half.

Premier champions St Martins are back on top again after getting an 85th minute winner at Budleigh Salterton. Substitute Paul Vice had come on to equalise as Budleigh led 2-1 and Vice then snatched the deciding goal which earned the champions victory. Jack Phillips had the first Saints goal. Aaron Bhandi and Simon Rose were the robins scorers.

Willand Rovers tunned Sidmouth Town 3-1 on their own patch with man of the match Dean Stamp getting the two deciding goals. Neil Cain had the first for Willand who reckoned they played out of their socks against a very good Sidmouth unit.

Exmouth Amateurs beat Otterton 4-1 but were given a hard scrap by the bottom side after they hit back to 2-1. Adam Bartlett and Tim Wright gave Exmouth the lead, Mills got the Otterton goal, but then Josh Hill and Tom Matthews scored again for the Ammies.

Clyst Valley won 2-0 against Feniton to complete the double, but the visitors at Winslade Park really fought well without getting any slice of luck. Kai Feller and Elliot Weeks scored the Valley goals.

Axminster Own and Exeter Civil Service drew 1-1 in the only division 2 game completed. Dave Wilkes had Civil ahead before Richie Emmett equalised for the tigers.

Dawlish Town were leading Newtown 1-0 with a Ryan O'Callaghan goal when the game was abandoned after 70 minutes. As with other abandonments the match will probably be replayed.

Division Three leaders Pinhoe lost their 100 percent record at Chard Town where they went down 3-2. Gareth Fooks, Adam Cole and Simon Vincent scored for Chard. Dave Moyes and Alex Mackie were the Pins scorers.

Kentisbeare celebrated a rare win and a climb off the basement run when they beat Lympstone 5-1. Two goals from Rhys Daniels, and one each for Glen Mauder, Lee Mauder and Richard Davis won it for Kentisbeare. Jamie Alford had the Lympets reply.

Offwell and Newtown shared a 1-1 draw in the only division 4 game played. Lewis Couch was the Offwell scorer.

Three other matches in the lower divisions were abandoned. Colaton Raleigh were leading Feniton 3-0 in

Division Five with 18 minutes remaining, while in Division Eight Dawlish Utd led the Met Office 6-0 after 80 mins, and Halwill were ahead 7-4 at Lympstone after 70 minutes. All three matches will be reviewed by the League at their next meeting.

#### MATCH REPORT

##### Seaton Town 6 Heavitree 0

In a top of the League clash it was the Seasiders that started the better with George Moore firing the home-side into the lead from an acute angle inside the first ten minutes.

Seaton really took the game to Heavitree and it was no surprise when they went 2-0 up after Cameron Vere won a good header and flicked the ball onto Josh French who buried his shot into the bottom corner past the helpless Stuart Gordon in goal.

Seaton started the second-half much as they did the first, dominating large spells of the game with excellent two-touch football, the visitors looked completely shell shocked as they had no answer for the inform greens. Ten minutes after the re-start top scorer Ritchie Durrant chased a through ball that Gordon in goal fumbled leaving the impressive teenager with an empty net to slot into.

The rest of the game was as one sided as you are likely to see with Ede, French, Moore and Vere dominating the game.

In the 65th minute the visitors were reduced to ten men after a defender handled in the area. The normally reliable Robbie Fellingsham saw his weak spot kick saved, however this only spurred the greens on as the recalled Moore, making only his second appearance of the season for the first team, went on to score twice more to complete a wonderful hat-trick.

By now Heavitree were willing for Feniton to complete the double, but the visitors at Winslade Park really fought well without getting any slice of luck. Kai Feller and Elliot Weeks scored the Valley goals.

Axminster Own and Exeter Civil Service drew 1-1 in the only division 2 game completed. Dave Wilkes had Civil ahead before Richie Emmett equalised for the tigers.

**THIRD PLACE FOR HEATHER**  
HEATHER Foundling-Hawker, covering 159km finished third woman in the 'No Finish Line' 24hr race held in Monaco.

This was Heather's debut at the 24hr event and her inexperience saw her begin the race too fast. Although she led at the 10hr mark she was eventually overtaken and dropped to fourth before rallying well to capture a superb third place, and in doing so missed covering 100-miles by less than three laps.

### Perry Street League with Howard Larcombe

#### KENNY HODGES RI

Farway United Reserves to wisely switch their game from their boggy Eastlee Park to opponents' Charmouth Reserves' Bars Lane. And the switch worked perfectly with two-time cup winners Farway thrashing the struggling Robins 7-0 with goals from Chris Legg (2), Rob Down (2), Stuart Turner, Chris Haynes and Lewis Grant.

High-flying Waytown Hounds were taken all the way to extra-time by plucky Hawkchurch Reserves before emerging with a 5-2 win at Netherbury. Gary Corry put the Hounds ahead in the 20th minute but Stuart Weir, with his sixth goal in four games levelled before the interval.

An own goal restored the hosts lead but Dave Mayo forced the extra half-hour with a goal midway through the half.

Mike Ackerman, edged Waytown ahead for the third time and they never looked back with a double from Matt

Read, to take his tally up to a round dozen, making the win safe.

#### DIVISION ONE:

LYME Regis Reserves played probably their first ever 'home' League match at Venlake Field home of neighbours Uplyme.

However the soggy conditions and constant rain was clearly better suited to opponents Farway United however and the Seasiders were scuppered by a 3-1 defeat.

Tom Albano put the Devonians ahead in the 28th minute in somewhat fortuitous circumstances when his block tackle with Stuart King resulted in the ball squirming out and into the top corner to leave Jedd Whittington in the Lyne goal with no chance.

The lead was doubled 30 seconds into the second-half when James Salter got his just-rewards for Man-of-the-Match performance with a well taken second. The away win was confirmed when youngster Bradley King sneaked in unmarked at the back post on the hour.

Steve Batey did head home Julien Simier's cross in the 70th minute but the Seasiders comeback was never really on. Top performer for Lyme were Aaron Cleal and right-back Rob Larcombe.

#### DIVISION THREE

WHITE Horse Reserves pulled-off the result of the day by returning from League leaders Hawkchurch after snatching a 2-1 win. All looked good for the Hawks as Gavin Herrod gave his side a slender half-time lead. But Russell Weller levelled to turn the game on its head and will the hosts chasing a winner. Horse landed an 85th minute break away sucker-punch when Russell Oldbury pounced on a defensive howler to end Hawkchurch's 100 per cent home record.

## YOUTH FOOTBALL

### Honiton u9s v

### Sidmouth Raiders (0-4) and Warriors (0-6)

NEITHER score line reflected the balance of possession as Honiton contested very well creating a number of chances. Lewis Blackwell went closest but was denied by a fine save from Raiders keeper.

Captain Dylan Nicholas, Joel Trim and Kelsey Pulman all performed well, whilst Danny Ruel was Man-of-the-Match with another fine defensive display. Luke Ward, Jake Matthews and Luke Barber all had good spells in goal for Honiton.

### Sidbury 5 Crediton Saints 2

CREDITON took the lead from a free-kick after 15 minutes. Some great work down the right was rewarded when Aaron Pearce put in a lovely cross for Ben Kidson to head. Zac Mattin made it 2-1 to Sidbury and soon after added the third after good work from Harry Wright.

Crediton a goal back but Hamish Culling, Bill Reed, Jack Murrell and Matt Broom started to regain control in midfield, which acted as a platform for Sidbury to regain the initiative. Todd Lewendon beat his defender to restore the two goal lead.

Zac Mattin then got his hat-trick after another great move put him through on goal. Rob Mansfield earned him the Man-of-the-Match award.

## East Devon Short Mat Bowls

IT'S been a quiet week. Beer take over the top place in the Evening with a 5-3 win at home while West Hill gained a creditable win away, also 5-3 but with the same number of shots as their opponents. In the Second Division Colyton extended their lead winning 6-2 at home.

In the Afternoon Leagues wins for two B teams, Chard 7-1 and Seaton Cliff 5-3 away, moved these two to second and third place while Upottery were the third victors by a 5-3 margin. Traditionally a close division, there are just two points difference covering seven teams.

COLYTON Grammar School's U15 Girls tennis team have qualified for the 2009 Aegon U15 Girls National Tennis Finals, to be held in Bolton on Saturday 5 and Sunday 6 December.

The team consists of captain Liberty Brown, her sister Isabella Brown, Natasha Meijner (all from Budleigh Salterton), Lara Graney (Exeter), and Emma Hurst (Whitford, Nr Axminster).

Their journey started when they won the County round in the summer. The team then went on to the South West knock-out stages, beating teams including the Humphrey Davy School, Penzance and Millfield School, Somerset, to reach

the Regional Finals.

In the Regional Final, Colyton were first drawn against

Pembroke School, who they beat convincingly 6-0, winning all four singles and two doubles. In the finals they faced Stroud School, who they had lost to the year before. Getting off to a strong start they won three of the four singles, with Lara narrowly losing to Alicia Barnett, a higher ranked player. It was the doubles that really counted as the team still needed one more win to seal it. It was tense, but Liberty and Natasha won their doubles match six games to love and although the other pair lost theirs, the team still had four wins to two and so qualified for the Nationals.

"This is a fantastic achievement, to be one of only four U15 teams in the country to reach the national finals. The girls thoroughly deserve their place and throughout the competition have played a consistently high standard of tennis" said Mrs Nicci Humphries, PE teacher at Colyton.

## ENJOYING THE (OFF) ROAD TO MOROCCO

NINE members of Axe Valley Pedallers (AVP) have just returned from a week's off-road cycling in the High Atlas Mountains of Morocco.

It was an expedition that proved to be far better than any of the members could have hoped for. It was a tour that gained access to sections of the Moroccan mountains not normally visited by mountain bikers.

A route of rugged beauty, of stark limestone peaks and high alpine pastures punctuated with quiet stone villages where life has not changed for centuries. A deep cobalt blue sky remained cloudless all week and set off the rich colours of the ochre red trails. All very different for the Pedallers who had left the grey skies behind at home.

After a night in Marrakech a short journey transferred the group to the foothills of the High Atlas.

Six days of mountain biking and trekking lay ahead with mules carrying the bikes on three ascents that would have been impossible to cycle.

The club had arranged for a support team, which included a local guide with an intimate knowledge of the area which gained invitations along the route from villagers to stop, relax and take tea. "We all felt very humble and very privileged to be made to feel

so welcome" said James Cope of AVP.

As the week progressed the dramatic nature of the landscape seemed to increase in its stature every day. After one three-hour trek to a pass at over 3,000 metres, the mountain range seemed to extend forever, a compelling panorama.

AVP intends to run the tour again

next year and it is hoped that some may take up the challenge and use it as a way of raising funds for charity.
